## Join the Network

<http://tpsteachersnetwork.org/register>

### What happens when a new user joins the TFS Teachers Network?

1. The new user clicks on the invitation link (<http://tpsteachersnetwork.org/register>).
2. The new user fills in the form with his or her name, user name, e-mail address, password, and verify password (repeat of the password). To finish this step, check the "I'm not a robot" CAPTCHA box and then click "Register" to submit the form.
3. A verification email is automatically sent to the new user's e-mail inbox.
4. The new user opens the e-mail from the TFS Teachers Network and clicks on the line "Please click HERE to activate your account and complete your profile."
5. The resulting screen will read "Welcome to the TFS Teachers Network! Your account has been activated. Please login now to accept the Terms & Conditions and to complete your profile."
6. The user will:
  - a. Log in with the previously selected user name and password.
  - b. Read and accept the TFS Teachers Network Terms and Conditions.
  - c. Complete the user profile form.
  - d. CHECK SAVI.
7. The URL for the TFS Teachers Network from now on will be <http://tpsteachersnetwork.org>.
